

Hello everyone:

First of all, we wish you, our precious partners of the NNDAAP program, other interventionists of the HEALTH AND SOCIAL SERVICES network, the QLFNHSSC, and above all, our FORMER RESIDENTS, an enjoyable vacation. Take the time to savour your sobriety that you so much deserve. You have worked so hard to achieve it and we encourage you to continue to maintain it.

In case you find that you need a little chat, we will soon be giving you the telephone numbers where you can reach us. For the time being, we can still be reached at the same number, that is: 481 927-2254 or toll free at 1-800-563-2254.

Also, I regret to announce that the Miam Uapukun Centre is cancelling all of the 2017 therapy sessions, until possibly February 2018.

We are presently in the process of making major changes, one of which is the expansion of the Centre and a much-needed facelift for its interior. We are sorry for the inconvenience that this is causing but we want you to know that we are still available if you have any questions. For any requests for therapy at centres other than the Miam Uapukun Centre, you can ask the NNDAAP AGENT of your community for referral. Our goal is to improve our Centre for our Quebec and Labrador First Nations.

Dear members, we wish you a good 24 hours!
